

Dear Lord , we pray that you will keep in our hearts always a happy memory of José. We give thanks for blessings that you gave to her in her life. We pray now for José, and remember how she stood by us and helped us, who cheered us with her sympathy, and strengthened us be her example. We pray that we too may seize every opportunity of life and one day rejoice in the promise of a glorious resurrection with her.

Through Jesus Christ our Lord.

Amen
